

Your Success Is
My Business

To whom it may concern:

It is my pleasure to provide a letter of recommendation for Mr. Wayne Ingram of National Tourism and Heritage Association!

Mr. Ingram has worked with Ridgeway High School business students to prepare them to speak publicly with poise. This training not only provided invaluable techniques to be utilized while in high school; but he also provided training that will be beneficial to our students throughout their careers. Mr. Ingram has trained Ridgeway High School students for at least 3 years.

We look forward to continued support from the National Tourism and Heritage Association!

Warm regards,
